Easter Printable Activities

This section has the worksheets for your Easter theme. Worksheets are theme related and also include the letter E, number 3, shape oval and color yellow. There are enough sheets to do several a day. This depends on if you would like the theme to run 1 or 2 weeks. Pick and choose the sheets you wish to use each day and print up.

Don't feel bad if you don't use all the sheets. Alternate and use different sheets the following year.

Worksheets

All worksheets can be colored. When planning out your week, check out the worksheets. How would you like the children to complete the worksheets?

Crayons and markers are the first thought, but use your imagination.

Print up some of the worksheets on white card stock and let the children paint them.

- Shape sponges dipped in paint
- Old tooth brushes
- Paint daubers
- Finger paint
- Paint with water colors and glitter

Think of different ways the children can finish a worksheet. Children will have fun bringing home an assortment of finished sheets to show their family.

Parent Activities

Parents are their children's first teachers. To make parents more involved with their child/ren's learning, print up 1 or more sheets to send home each week on Friday.

If using Friday Folders each week, place pages on the left hand side. Label the left side of the Friday Folder "Parent Activities".

Children love to color. These sheets will give them the opportunity to do that, while learning. They will be using their small motor muscles, literacy and math skills, depending on what sheets you print up.

EasterPuppets – Print up on white card stock. Give each child 2 puppets. Have them color and cut out on circles. Tape or glue a craft stick to the back of each circle to make a puppet.
