Lacing Cards

Children love lacing cards. You have the option of printing up color or b & w cards to color yourself.

You can print up the color lacing cards, cut out on the dotted line, laminate, and punch holes around the card using a hole punch.

Give the children lacing strings, yarn or shoe laces to lace the cards.

The b & w set can also be used as an additional craft for the children. Give each child one of the cards, have them color and cut out. Have an adult punch holes, and they can lace using the above options of string.

Lacing strings can be purchased though <http://www.discountsschoolsupply.com/>
