All About Me

Printable Activities

This section had worksheets / crafts for your “All About Me” theme. Worksheets are theme related and include the letter M, the number 7, the color green and the shape circle.

There are enough sheets to do several each day. This depends on if you would like to run this theme 1, 2 weeks or a month). Pick and choose the sheets you wish to use each day and print up.

Don't feel bad if you don't use all the sheets. Alternate and use different sheets the following year.

Parents are their child's first teacher. To make parents more involved with their child/ren's learning, print up 1 or more sheets to send home each week as home work. 😊

If using Friday Folders each week, place sheets on the left side. Label the left side of the Friday folder "Parent Activities".

Children love to color. These sheets will give them the opportunity to do that, while learning. They will be using their small motor skills, literacy and math skills, depending on what sheets you print up.
