

## Practice Writing Sheet Name Plate Sheets

The following sheets are for printing practice. Print up the Practice Writing Sheet on regular copy paper and let the children practice their name, etc.

The name plate sheets can be printed up on white card stock, cut in half and print the child's name to use on table for assigned sitting, or have the children practice writing their name.

# Practice Printing Sheet

This document is a practice printing sheet. It features five sets of horizontal lines, each set consisting of a solid top line, a dashed middle line, and a solid bottom line. These lines are intended to help children practice their handwriting, specifically focusing on the height and placement of letters. The lines are evenly spaced and extend across the width of the page.

## Name Templates

Print up on white card stock. You can use for table labels. This helps the children recognize their own names and the names of their friends and gives them their own “special” place to sit during meal and art time.

- Use as templates for having the children practice writing their names,
- Print the child’s name on a template and hang from the ceiling. Have the children’s name in different areas for them to recognize.
