

# Valentine Alphabet Game

## Directions:

- Print up the following sheets onto white card stock.
- 1st page is graphics and directions for front of the file folder game.
- 2nd and 3rd sheets go inside the file folder.
- Use double sided tape to attach graphic title, directions and 2 inside sheets.

- Using self laminating sheets - cover front and inside of the file folder game. (Clear contact paper can also be used).

Sample shows game pieces from a Candy Land game.

# Valentine's Day Alphabet Game

1 - 2 - 3 Learn Curriculum

Graphics Used: Scrappin Doodles

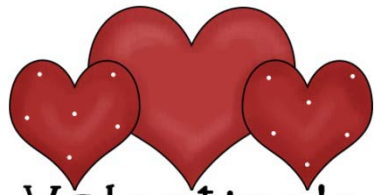

Directions: You will need a game piece for each player and a dice.

Throw the dice and move along the alphabet trail. When you land on a letter, think of something that begins with that letter and shout it out. The first person to finish is the winner!

*Alternate game: If children are just learning their ABC's, when they land on a letter have them shout the letter out.*
