

Santa's Workshop

North Pole

Dear _____,

Santa is so happy that Christmas is almost here. I can hardly wait to load up the sleigh. I read my list and I see that you have been a very good boy this year. That makes me so happy.

The elves have been busier than ever making sure I have plenty of toys for all the children everywhere in the world. Mrs. Claus is making gingerbread and sugar cookies aplenty to fatten me up for my costume. Ho, ho, ho, who ever heard of a skinny Santa? Sounds ridiculous doesn't it? Well, my friend, start marking the days off on your calendar, and before you know it, Christmas will be here!

Think of me and the reindeer this Christmas Eve while you are snuggly tucked in your bed. Perhaps you might even be able to guess what I'm going to bring to you that night!

P.S. Don't forget some milk and cookies. I get pretty hungry delivering all those toys!

Love
Santa
