GRAPHICS USED:

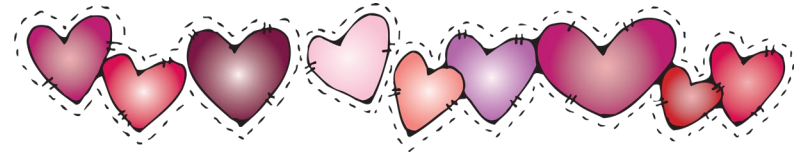

Blowing Kisses – Happy Mother’s Day

Supplies needed:

- Assorted color card stock
- Photo Quality paper
- Heart punch
- Glue stick
- Black marker

Directions:

- Ahead of time, punch out heart shapes using assorted patterned and color card stock. You can also use foam self adhesive hearts.
- Print up the Happy Mother’s Day template onto assorted color card stock. (Let children pick the color).
- Take a picture of each child, from the side and have them pretend to be blowing bubbles. Snap a few pictures and pick the best one.
- Print picture up on photo quality paper.
- Trim the child’s body shape out.

- Have child glue their picture on the left side of the page.
- Give children hearts and have them glue them on the page.
- When children are done, using the black marker, draw a few lines by their mouth, for wind blowing from their mouth.
- I am including a Power Point of the Happy Mother's Day sheet. Once you take pictures and load them to your computer, you will be able to load them onto this Power Point file and adjust the size you want each photo to be.

Once you have the size of each picture, Place them onto a blank Power Point page and print.

If you don't have Power Point, picture of child Will be around 7 " for height.

Sample of heart punches. You can check your local craft store for a heart punch or foam hearts.

Happy Mother's
Day!
