

# Fire Safety Links Counting Cards

## Directions:

- Print up the number sheets on white card stock.
- Trim.
- Laminate.
- If you are going to use links for the counting cards, punch a hole in the bottom of the cards using a hole punch. (Big enough to fit the links).

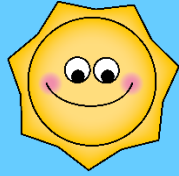

Another option:

- Print up cards on white card stock.
- Trim.
- Laminate.
- Use clothes pins when children are using the counting cards. (They can go all around the cards as they need more clothes pins).

Have children use cards in the writing center to practice writing their numbers.
