My School Days Counting Book

Option 1: Print up the counting sheets (1 set per child). Trim, place sheets in order and staple together to make a book. Let the children count and color.

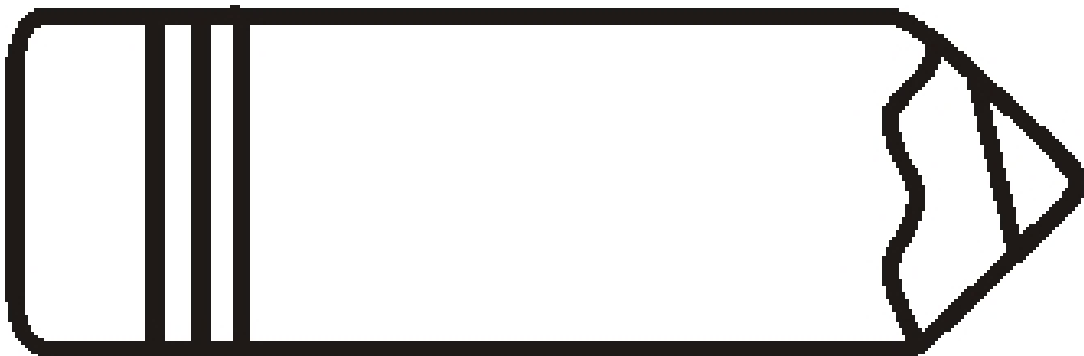

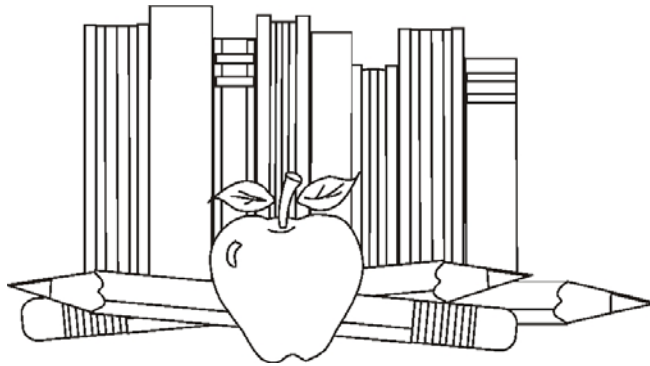

Please note: last page with poem, has a blank line for you to write your child care name.

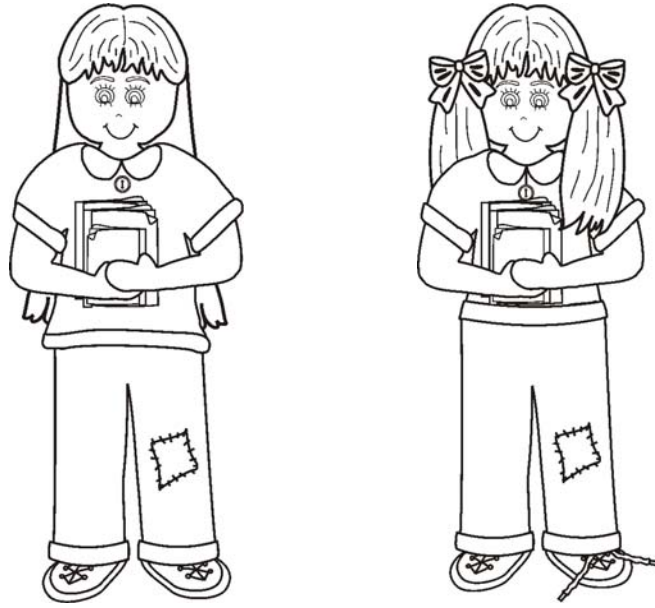

Option 2: Print up sheets. Let children do 1 sheet per day. Let the children count, color and cut. After all sheets are done, place the sheets in order and staple together.

So pages don't get mixed up, place the child's name in the lower corner on the back of each page as they cut them out.
