

~Where Playing is Learning~

What is 123 Learn Curriculum? 123 Learn Curriculum is a professionally planned preschool curriculum designed to be used in both family need and homes and centers. This program offers the ease of printing up each day what you need and saving on waste. Money saving, this curriculum can be used over year after year.

What are the goals of 123 Learn Curriculum? 123 Learn Curriculum was developed by a childcare provider since 1985. The activities included are age appropriate and designed to help the whole child grow, and develop socially, physically and intellectually. Our program will help prepare each child for kindergarten, while opening the door for the children to be creative and express their artistic abilities.

123 Learn Curriculum is suitable for children ages 2 to 5, but includes activities for infants and toddlers
