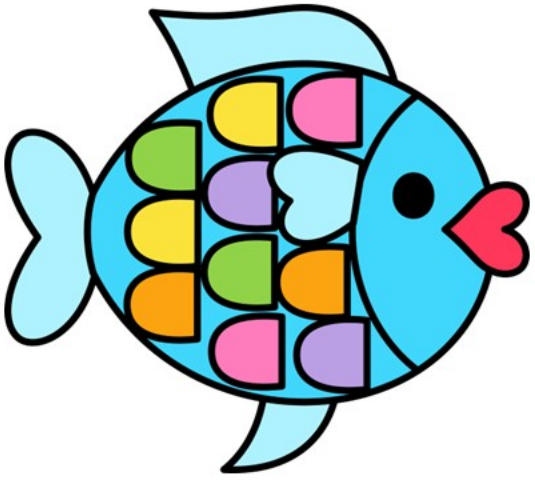
# Build a Fish

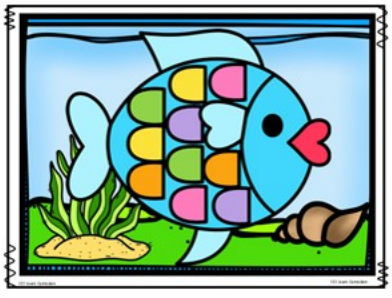


Supplies needed:

- White card stock
- Crayons or markers
- Scissors
- Glue

Directions:

- Print up fish template on white card stock.
- Have children color and cut out.
- Glue fish together.
- Color fish tank and glue fish onto the sheet.



Steps:

1. Glue tail to the end of the body, left side.
2. Glue mouth to the right side of the fish.
3. Glue dorsal fin to the top of the fish body and the lower fin to the bottom part of the fish body.
4. Glue pectoral fin to the fish, see placement on sample picture.
5. Have children finish by gluing on scales.
6. If you use template without eye, have children take a black marker and draw and eye.

THANK YOU for downloading this product. I hope you enjoy it as much as I did creating it! I value your feedback, so please don't hesitate to contact me if you have any questions. If you like this download, please let me know by leaving feedback for my online store. It helps not only me but other teachers that are looking for a good quality product.
Thank you again!
