We have supplies for
fun activities!

Blocks for playing.
What will you build?

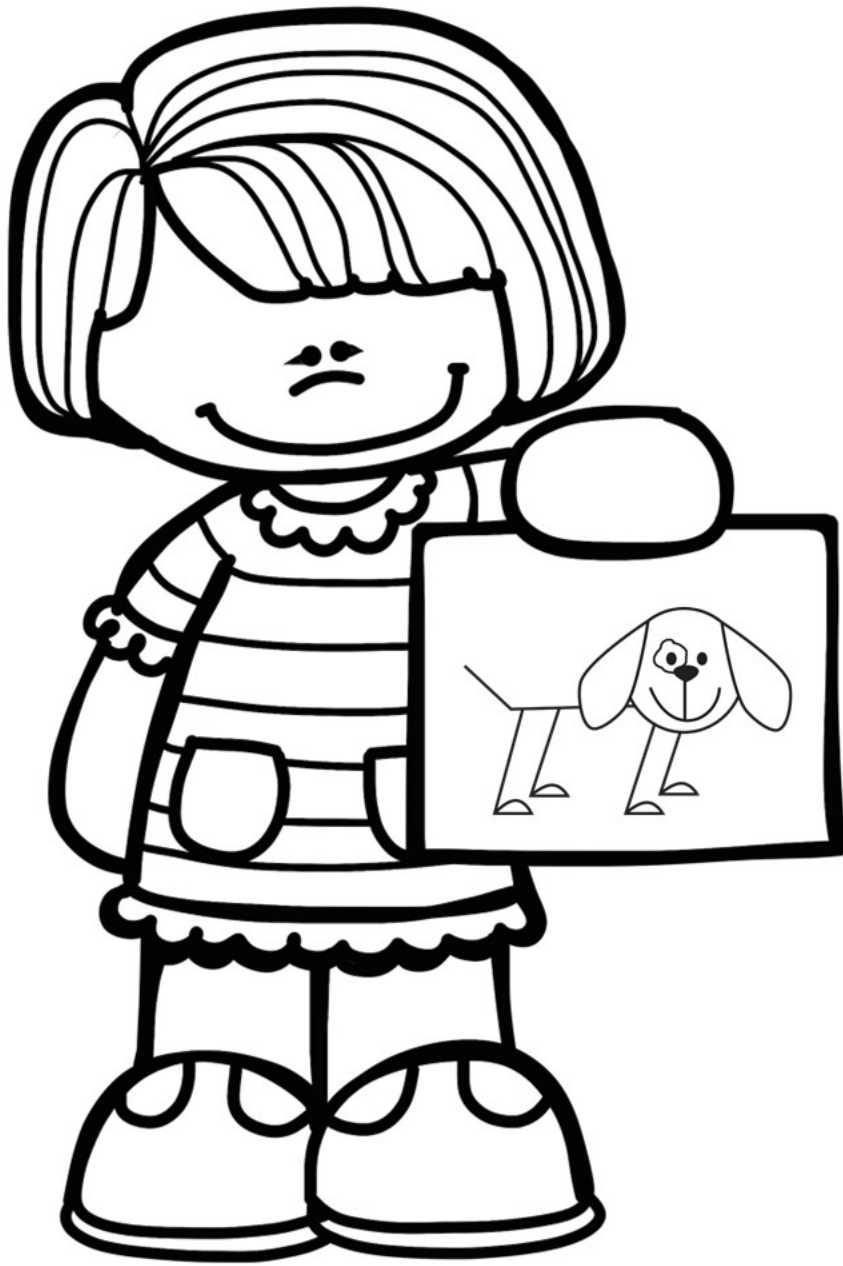

We will learn about shapes.

Painting is a favorite.
What will you paint?

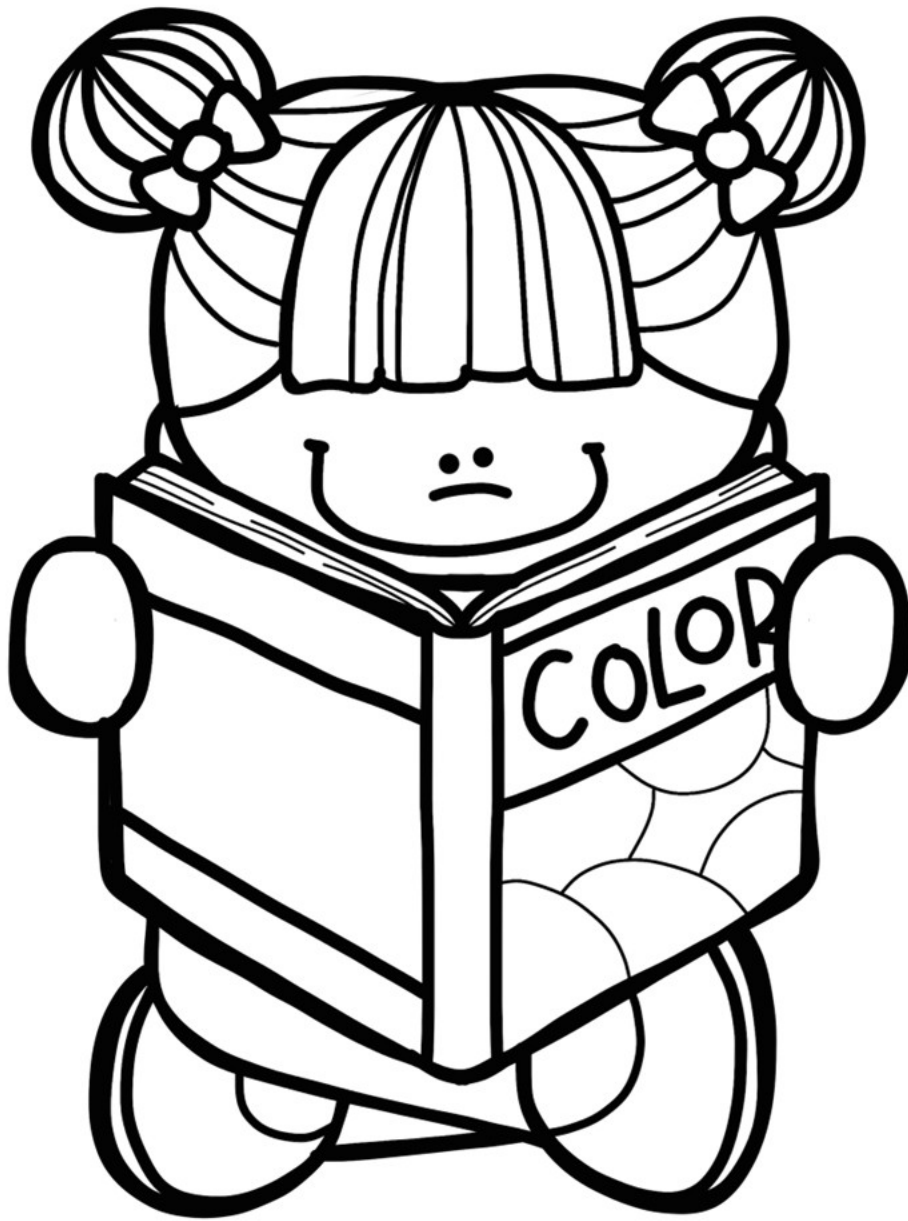

Circle time to promote social interaction, learning and fun activities.

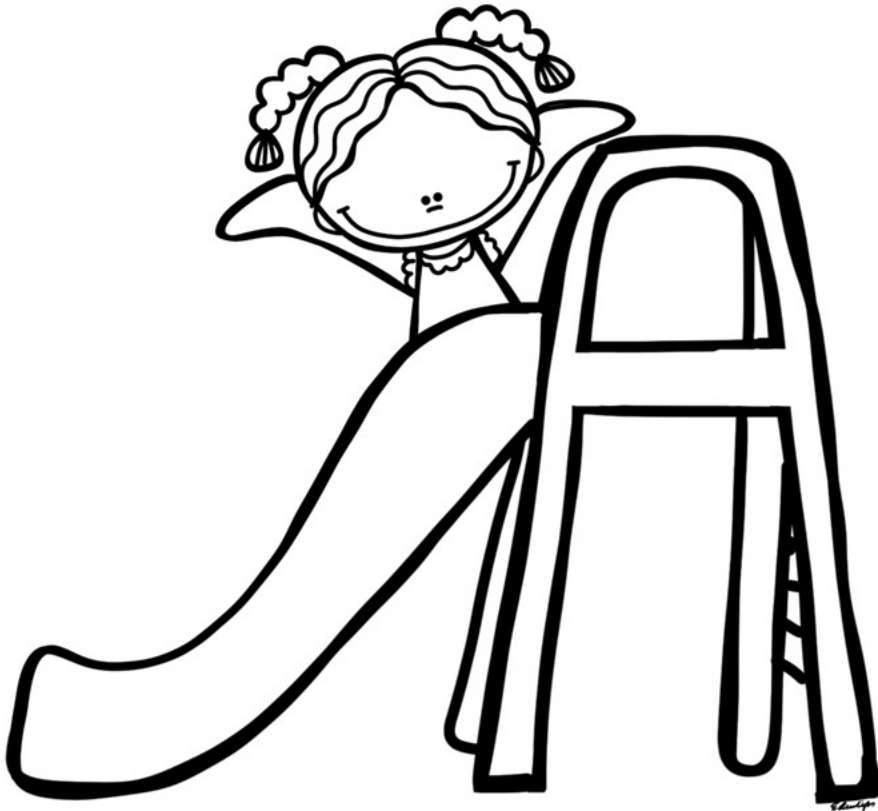

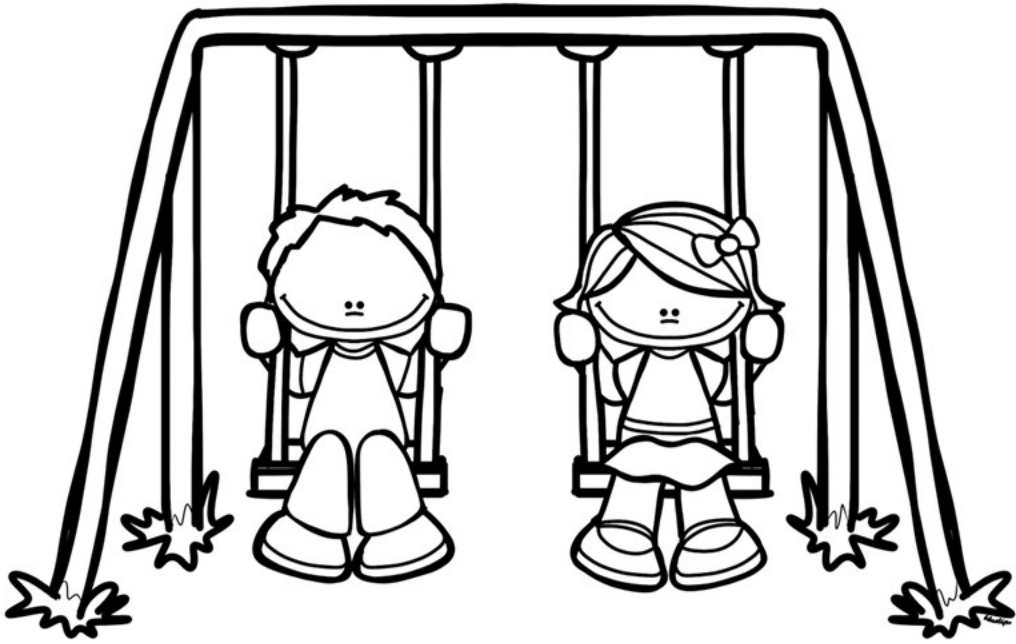

Sharing what we do
each day.

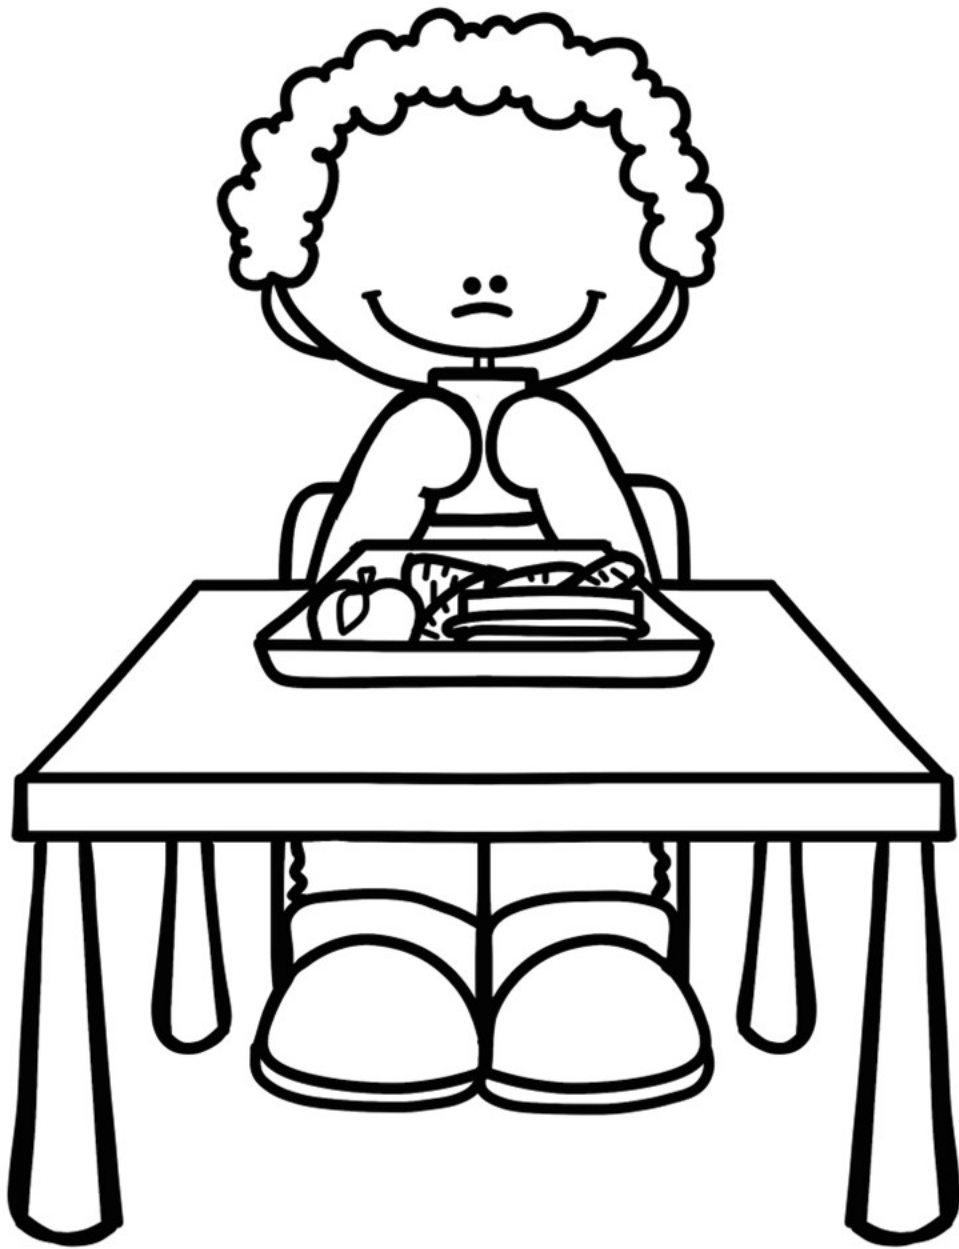

We have a writing center
where we can practice our ABC's.

Coloring is fun and helps with
our small motor skills.

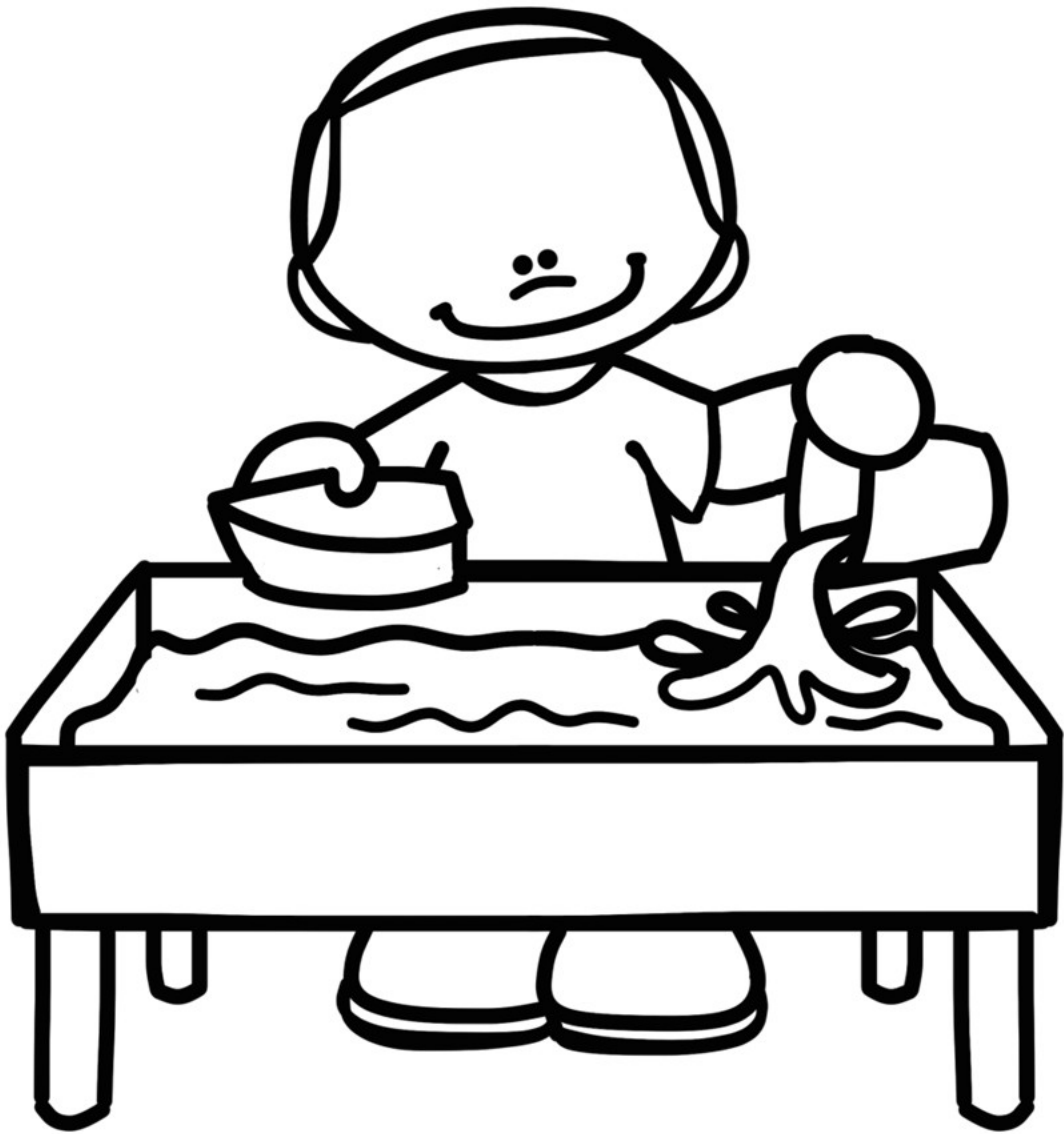

There's always time for free play.
We love to have FUN!

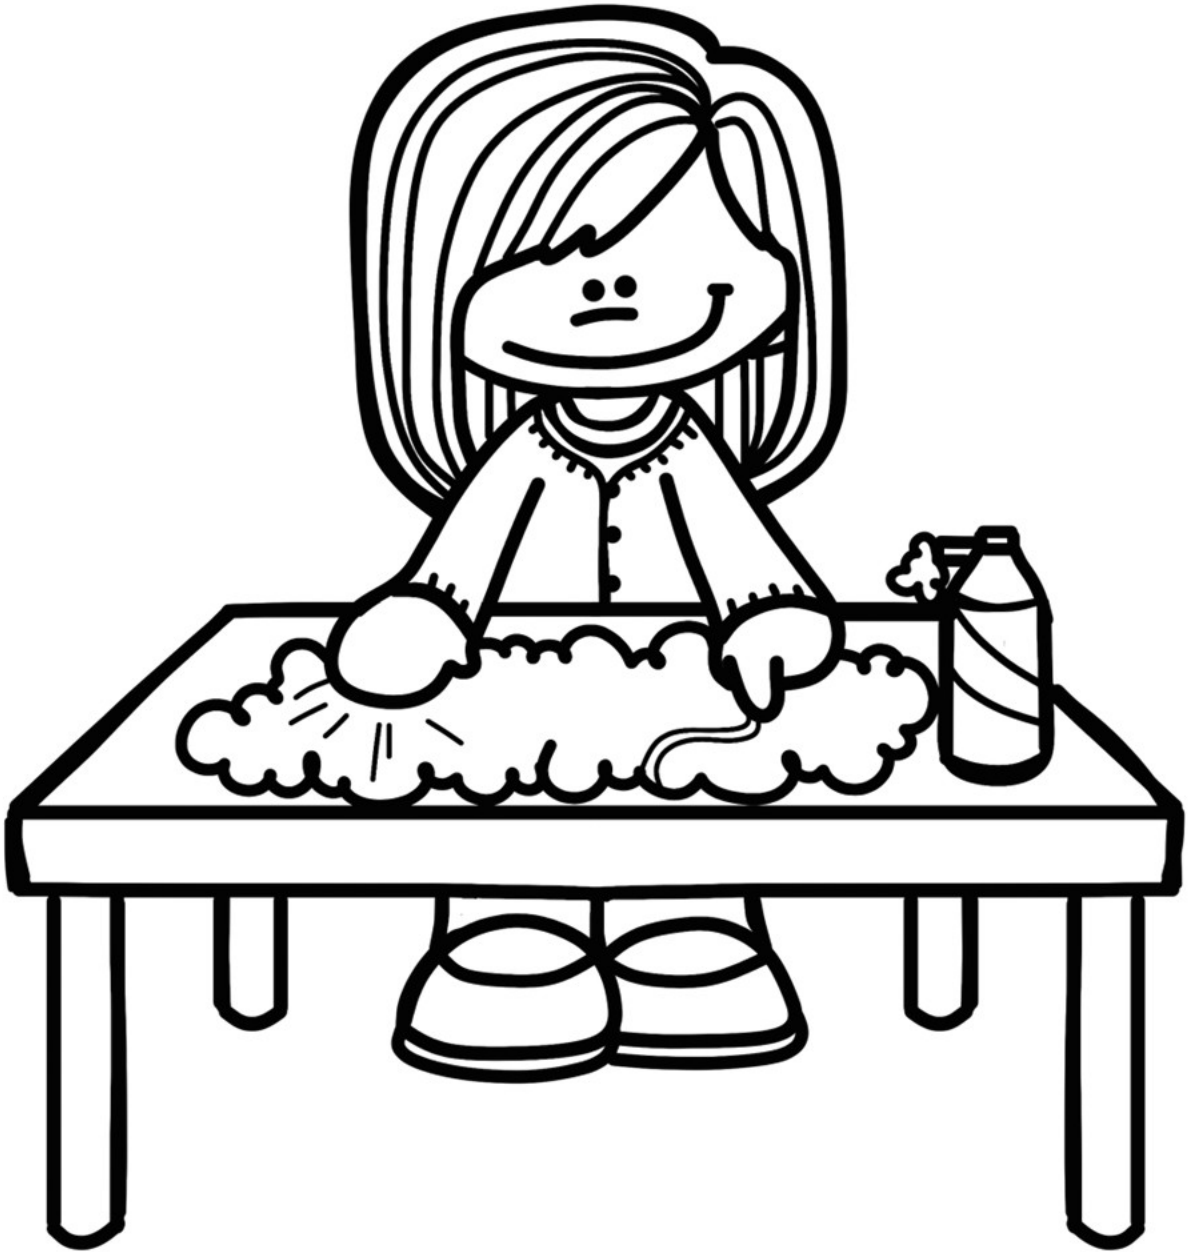

Nutritious meals.
I like trying new foods.

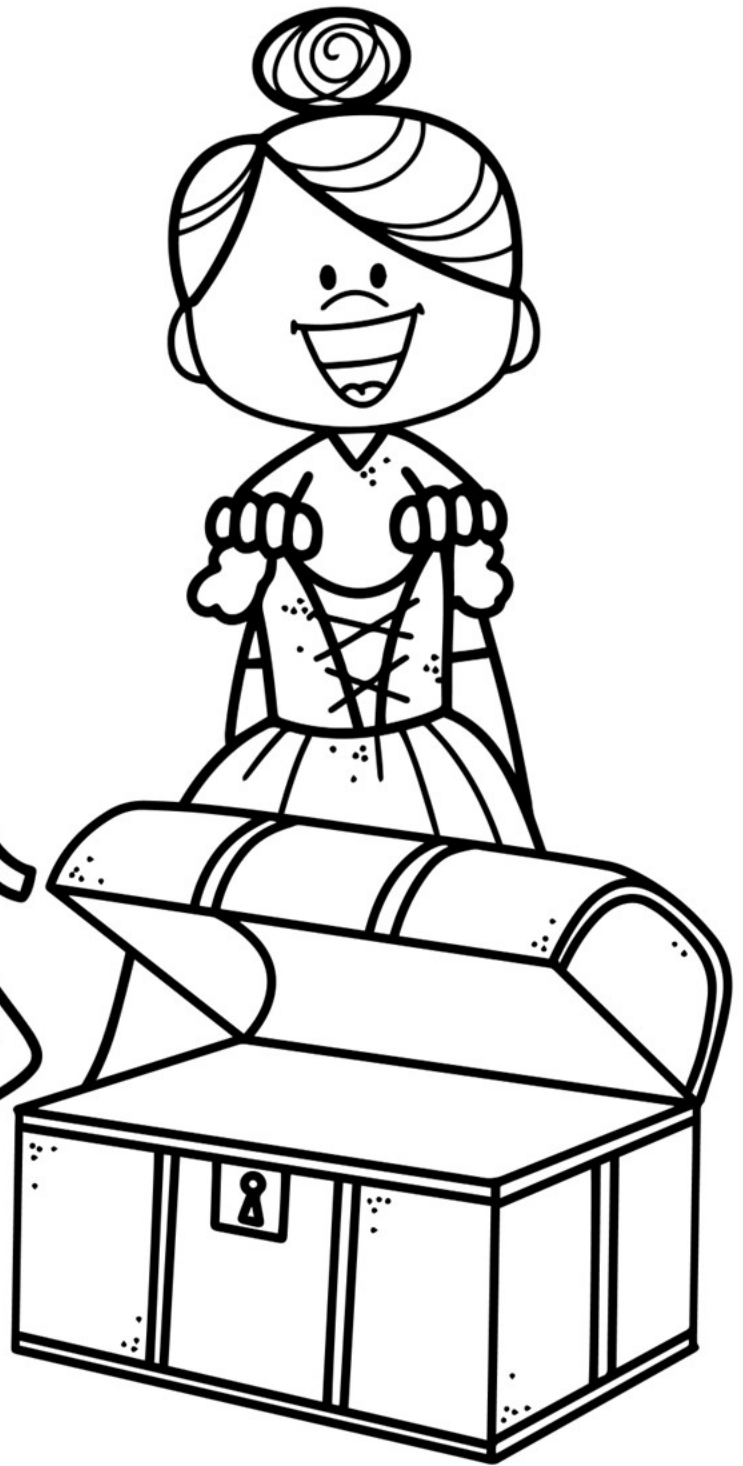

During the day we have
nap or rest time.

Sometimes we do water play,
inside and outside.

Sensory play encourages learning through exploration, curiosity, problem solving and creativity.

Dress up time is always fun.

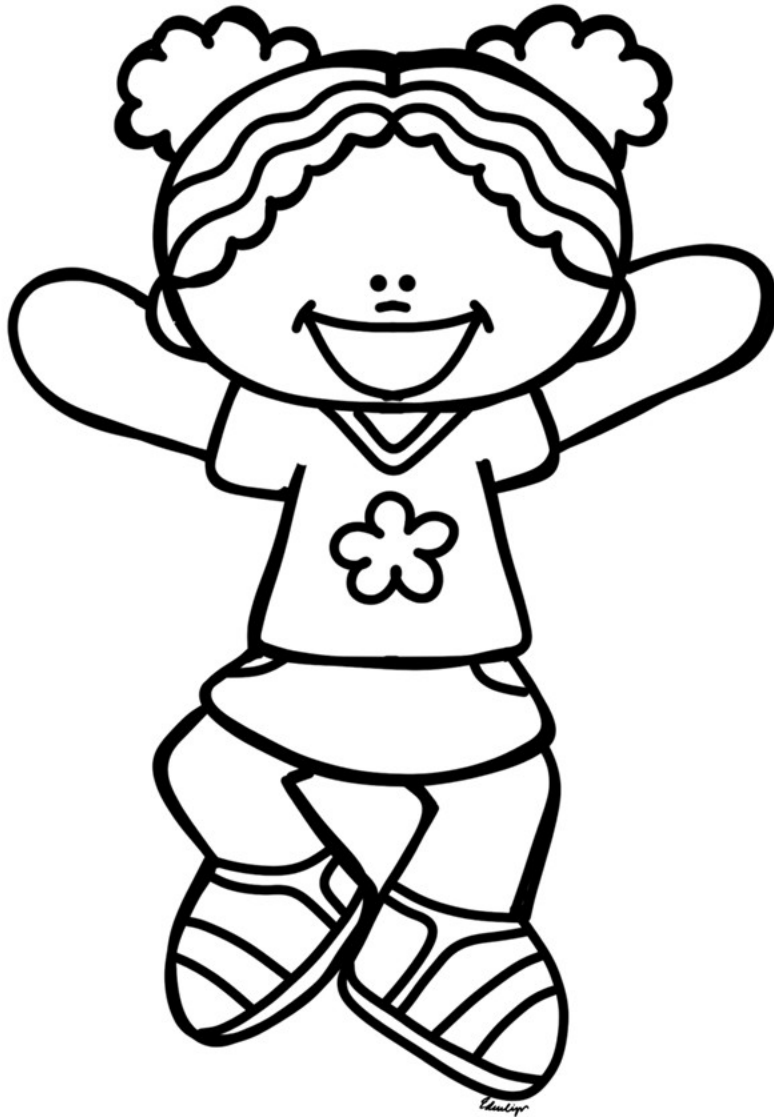

There are a TON of books to read.
My favorite book is

Science boosts critical thinking,
problem solving, and curiosity.

Excited

I LOVE coming here so much.
