

Goldfish Counting

Supplies needed:

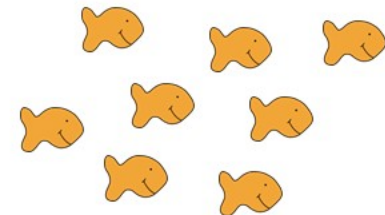

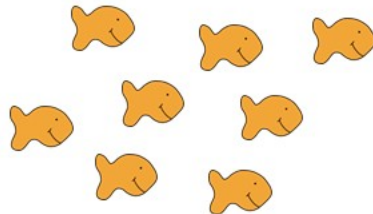

- White card stock
- Laminating sheets
- Scissors
- Goldfish Crackers
- Small bowl

You have the option of 2 options. With or without goldfish cards.

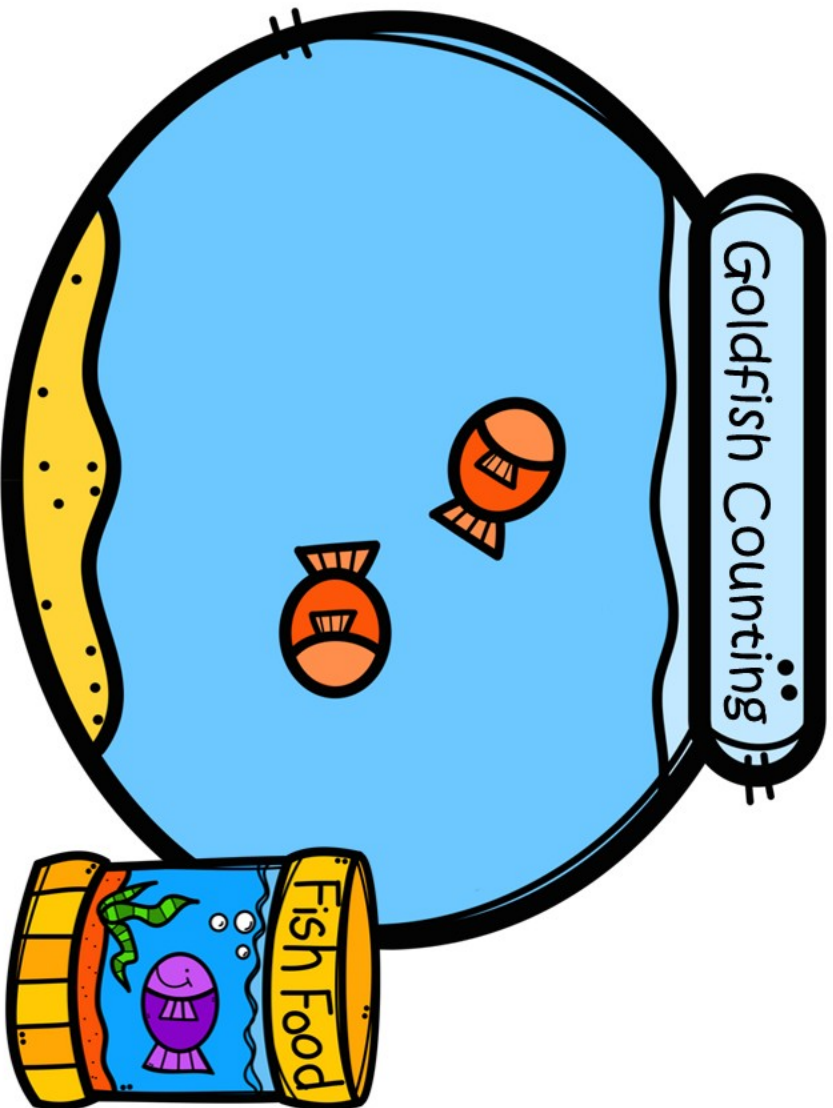

Directions:

- Print up goldfish cards on white card stock.
- Laminate – trim.
- Place goldfish in a bowl and have children say the number on each card and place the correct number of goldfish onto the goldfish on the cards. (Numbers 1 – 10)
- Second template is empty goldfish. Have children take a number – place on card and add the correct number of goldfish to the fishbowl (Numbers 1 – 20)
