Match the Summer Cards

Print out 2 sets of the following sheets onto white card stock. Cut out and laminate the cards. Turn over and have the children use them as a memory game. (Match the pictures).

The cards can also be used as a file folder game. Print out 2 copies of the cards onto white card stock. Using clear contact paper or self-laminating sheets, attach 1 full sheet to the inside – right side of a file folder.

Have children match the pictures to the pictures inside the file folder.

If you use as a file folder game, next page is a graphic and game description for the front of the file folder.
