

My Favorite Part of the Circus

This activity is fun to do during circle time. Print up ahead of time My Favorite Part of the Circus title and cards.

During circle time, pass out a card with each child's name on it. Have them come up one at a time and tell everyone what is their favorite part of the circus of any of the activities listed.

If child has a different choice not listed, you can write it on one of the name cards and place in the pocket chart.

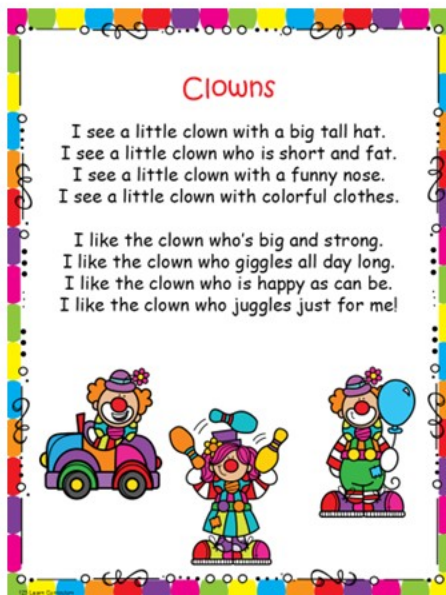

My Favorite		Part of the Circus	
			
			
Nicole	Tony	Devin	Dominic
	Caleb		
	Jaylin

Clowns

I see a little clown with a big tall hat.
I see a little clown who is short and fat.
I see a little clown with a funny nose.
I see a little clown with colorful clothes.

I like the clown who's big and strong.
I like the clown who giggles all day long.
I like the clown who is happy as can be.
I like the clown who juggles just for me!
